

14th May 2019

To: Parents of Pupils in Pupils in Nursery and Reception

Dear Parents,

Transport Traffic Survey

This half term our topic is 'Transport' and next week we would like to look at the amount of traffic and different forms of transport we have near school. Also as part of our practical mathematics, some of the children will be counting and tallying these different types of transport using the information collected.

We intend to take EYFS in small groups accompanied by two members of staff, to the bottom of The Elms to collect information about traffic. This will take place sometime next week, weather permitting. If you have any concerns or would like further information, please do not hesitate to contact me.

Yours sincerely

Mrs C Scott
EYFS Lead
