To: All Parents of Senior Pupils

Dear Parents

Homework Timetable

Today your child has been issued with a homework timetable for the 2018-19 academic year.

Homework is an essential part of a pupil's education. It provides the opportunity to reinforce and develop the work completed in class. It also encourages self-organisation and concentrated study, which are crucial skills not only for education but also today's competitive, uncertain and rapidly changing world.

Pupils will need to manage their time effectively in order to meet set deadlines. Pupil planners are an integral part of this process. We expect parents to check and sign the pupil planner weekly. Form tutors will in turn check and sign them on a weekly basis.

We are also excited to announce the introduction of a new online homework platform. This will be trialed with pupils in the coming weeks before the official launch towards the end of September, at which point I will write to you with further details.

If you have questions relating to the timetable or homework in general please contact your child's form tutor. Please sign the slip below to acknowledge your receipt of the homework timetable and the contents of this letter.

Yours sincerely

Mr D Thompson
Senior Teacher (Curriculum)
