To: All Parents of Senior Pupils

Dear Parents

Homework Timetable

Today your child has been issued with a homework timetable for the 2019-20 academic year.

Homework is an essential part of a pupil's education. It provides the opportunity to reinforce and develop the work completed in class. It also encourages self-organisation and concentrated study, which are crucial skills not only for education but also today's competitive and rapidly changing world.

Pupils will need to manage their time effectively in order to meet set deadlines. Show My Homework, our online homework platform, is an integral part of this process. If you require new parent login credentials, please do not hesitate to contact me on davidthompson@hollygirt.notts.sch.uk.

If you have questions relating to the timetable or homework in general please contact your child's form tutor. Please sign the slip below to acknowledge your receipt of the homework timetable and the contents of this letter.

Yours sincerely

Mr D Thompson
Senior Teacher (Curriculum)
