

11th June 2019

To Parents of Pupils in Nursery to Year 6

Dear Parents

Wacky Hair Day – Friday 21st June 2019

On **Friday 21st June 2019**, the Junior School children are having a wacky hair day. This is an opportunity for girls and boys to make their hair as wacky as possible by styling with gel, glitter, hair spray or extreme coloured bobbles. Please do not go out and buy items especially. We will judge how imaginative the styles are and there will be prizes, allowing the winners one free go on the bouncy castle at the Garden Party.

For the privilege of wearing wacky hair, pupils should bring a jam jar of sweets and an unopened bottle to school. The jam jar can be filled with any sweets and the bottle could be beer, wine, champagne, shampoo or fruit juice. This will be donated to the Garden Party Bottle Stall.

Please ensure any bottles of alcohol are given directly to a teacher.

We hope the children will enjoy this fun activity.

Yours sincerely

Mrs G Wand
Garden Party Co-ordinator
