To: Parents of pupils in years 9 - 11

Dear Parents

RSC's 'Romeo & Juliet' Nottingham Theatre Royal
Tuesday 19th February - Saturday 23rd February 2019

I write to inform you of a forthcoming Royal Shakespeare Company production of 'Romeo and Juliet' which would be of interest to pupils in years 9-11. Students study 'Romeo and Juliet' as part of their English Literature IGCSE. Year 11 will have completed their coursework essays by this date; however years 9 and 10 will be doing their coursework during their year 11 studies. Experiencing a live production of the play would be greatly beneficial to the students and also enjoyable too.

As the above dates fall in our half term perhaps students might like to arrange for a group of friends to go together or you might like to take your child yourself.

Yours sincerely

J Thornton
