**To: Parents of pupils taking GCSE Computer Science**

Dear Parents

### Revision Guide, Workbook and Question Cards

I would like to offer a chance for your child to buy a revision guide, workbook and question cards for OCR GCSE Computer Science. They have been put together by the exam board specifically for this course. The revision guide provides additional "easy access" theory notes; the workbook has excellent practice exam questions that are matched to the new syllabus for all levels; and the question cards provide shorter questions for each specific topic when revising.

I would like to place one bulk order, so if you could please complete the form and return to school along with your payment by Monday 30<sup>th</sup> September, it would be much appreciated.

Yours sincerely

Mr Matt Dilger  
Head of Computing
