To: Parents of GCSE Statistics Pupils in Year 10

Dear Parents

GCSE Statistics Revision Material

I am pleased to advise that we have the opportunity for our Year 10 GCSE Statistics pupils to purchase the latest revision guide and workbook for their forthcoming Year 10 GCSE Statistics. The workbook and revision guide provide an excellent resource in addition to notes made in lessons and subsequent work set.

I wish to highlight that although the examination board being entered is AQA, the Edexcel books (of which these are, since currently an equivalent AQA version does not exist) have a significant similarity between the content of the two courses.

The books cost £3.25 each and you can pay by cash or cheque. Cheques should be made payable to Hollygirt School.

Please return the reply slip below by **no later than Monday 23rd September 2019**.

Yours sincerely

Mr N Rollinson
