Dear Parents

Duke of Edinburgh Bronze Award

Thank you for your interest in the Duke of Edinburgh Bronze Award and final balance payments. The expedition training for the Bronze Award is now very close and Karos will be attending school on the evening of **Tuesday May 21st** in order to deliver some final details to the participants regarding the forthcoming June training weekends. On this evening, your son/daughter will need to be at school between **4pm and 5pm** so please make appropriate arrangements for them to be collected at this time.

Please also note that Karos recently asked for the medical and personal details necessary for a trip of this type. This is the first year that they have used the Google link to collect this information and it has proven to be very efficient. However, it has also highlighted an issue with regard to us being able to ensure that the details have been supplied and verified by parents or appropriate adults. On occasional instances, the forms have been completed by the individual students and this is clearly not appropriate or, indeed, legal. Therefore, could you please ensure that you are familiar with the details provided and sign the form below to confirm their accuracy.

As you will be aware the expedition weekends are scheduled for the weekends of June 8/9th and June 29/30th. Karos will provide joining instructions in the near future but you may wish to consider car sharing options in order to reduce the amount of driving by individual families. Many groups in the past have organised for one parent to bring 2 or 3 participants (plus their kit) out on Saturday morning whilst another parent collects them on Sunday evening.

In the meantime, should you have any concerns, please do not hesitate to contact me.

Yours sincerely

Pete Deacon
