

10th January 2020

To: All Parents of Children in Reception to Year 10

Dear Parents

PSHE/SRE Curriculum Meeting

As you may be aware, there have been some changes to the PSHE (Personal, Social, Health Education) and RSE (Relationships and Sex Education) curriculums that will be introduced by September 2020. As we begin to adapt our Schemes of Work, we would like the opportunity to share the requirements of the new curriculum with you and answer any questions you may have.

There will be a meeting to discuss our approach on Tuesday 28th January at 4.00pm. This will take place in the Senior School Hall.

Please indicate on the slip below whether you will be attending this meeting. In the meantime, if you have any queries, please do not hesitate to contact us.

Yours sincerely

Mr C Dean and Mrs V Wright
