## Visiting Our Shop

Our shop will be open during the summer with an appointment service in place from June 15<sup>th</sup>.

Like all shops, we are required to obey social distancing by keeping 2m apart and limiting the number of customers in the shop at any one time.

To help avoid queuing we are **asking everyone** planning to visit the shop to **book at appointment** at

**[www.schoolwearsolutions.com](http://www.schoolwearsolutions.com)**

### We highly recommend Hollygirt customers book 2 consecutive appointments

Online appointments can start to be booked for when we re-open on June 15<sup>th</sup> onward.

When planning your visit, please try to keep to One Adult and One Child.

While booking your appointment you will be asked for exact current measurements of your child.

This will help us prepare a bag of uniform ready for you to collect at your appointment.

The more accurate the measurements, the more precise we will be with our calculations of growth and help us predict your child's size.

So, please have your child and [tape measure](#) handy when you place your booking. There is no need to add growing room, that is what we will do.

Please provide as much information as possible so we can get this right for you. If additional items are required for other children at the same school / another school, please add notes. These can be added to your bag for you to collect at your appointment to ensure your appointment is as productive as possible.

## How will my appointment work?

When you arrive at the shop you will be greeted by a member of staff who will happily answer questions

Before you enter the shop, you will be asked to sanitise your hands (sanitiser can be provided)

The **New Shop Layout** will have personal service tables, spaced 2m apart, where you will be served.

**Please note fitting rooms are closed** in line with government guidelines

To reduce transmission through contact, our staff will be wearing protective gloves and our customers will be asked to limit handling of items until deciding to buy.

When ready to pay your items will be taken to the till area which is now behind a protective screen and you will be requested to come to the till point to complete the sale.

We are encouraging customers to pay by contactless or card, wherever possible.

*Yours sincerely,*

*Schoolwear Solutions*
