To: Parents of Children in Nursery and Reception

Dear Parents

Evidence Me Photographs and Videos

We often take photographs and videos of the children at school to evidence their progress. These will form part of observations for our new Evidence Me assessment. Sometimes, we will take photographs and videos of groups of children as they work together on activities, and this would result in photographs and videos of your child also appearing on another child's learning journal. By filling in the consent slip below, please indicate whether you give your permission for this.

Yours sincerely

Mrs V Wright
Head of Junior School
