

1st July 2021

To: Parents of IGCSE Maths Pupils in Year 10

Dear Parents

IGCSE Mathematics Revision Material

I am pleased to advise that we have the opportunity for our Year 10 IGCSE Maths pupils to purchase the latest revision guide and workbook for the course. This provides both notes, worked examples and practice questions in one complete guide, which will complement any previous revision material too.

The books cost £5.20 each, payable by BACS (or cash if required).

Please return the reply slip below by **no later than Wednesday 7th July 2021.**

The deadline must be adhered to, to ensure that the order is completed before the end of term.

Yours sincerely

Mr N Rollinson
Teacher of Maths

IGCSE Maths Revision Material

Child's Name: _____

Form: _____

I would like to purchase the Edexcel IGCSE Mathematics revision guide for my child.

I agree to the cost of £5.20 and have paid this by: BACS / cash (please circle)
