

17th September 2021

**To: Parents of Pupils in Senior School**

Dear Parents,

## **European Day of Languages and Macmillan Cake Sale**

**Friday 24<sup>th</sup> September 2021**

On Friday 24th September 2021, the Senior School children will be taking part in some exciting activities for European Day of Languages throughout the day. This is a great opportunity for the children to experience different languages and cultures.

One activity we hope many children will take part in is a 'European Bake Off'. We ask that children bake a European themed cake at home and bring them in to school on the morning of **Friday 24th September** ready for our special assembly. The cakes will be judged on presentation, creativity and flavour and there will be some small prizes available for the winners! Cakes should be brought in a named container (which will be returned on the next school day) **and should not contain any nuts or sesame. For allergen safety, please also ensure a full list of ingredients is included with the cake which will be displayed alongside it.** Unfortunately, any cakes which do not come with a full ingredient list, cannot be judged.

All cakes will then be donated to the Macmillan cake sale, which will be taking place later that day from 3.00 - 4.15pm at 9 Villa Road and all parents are invited for cake and coffee. We do hope that you can join us.

Also, on this day, pupils will have the chance to have their face painted at break or lunch time for 50p. All proceeds will go to the Macmillan fund. Pupils must not have their face painted if they have any skin allergies.

Yours sincerely,

Miss Hannah Nisan, Mrs Sarah Brimblecombe and Mrs Howlett
