

#### YOUR ACCESS TO PSHE ASSOCIATION MATERIALS AND INTELLECTUAL PROPERTY RIGHTS

PSHE education is the school curriculum subject designed to keep children and young people safe, healthy and prepared for life, and work, in modern Britain. The best PSHE education is a partnership between parents/carers and schools — and this includes transparency regarding curriculum content and materials.

We are therefore delighted to provide parent/carer copies of all PSHE Association member materials that cover RSE (Relationships and Sex Education).

This is an example of such a resource. It has been shared with you as a parent/carer by the school or individual who is a PSHE Association member.

We are happy to grant access on this basis of giving you full, personal access to the resource contents, but appreciate your adherence to the following requirements regarding intellectual property rights given the resource is otherwise only accessible to schools and individuals that subscribe to PSHE Association membership.

#### **INTELLECTUAL PROPERTY RIGHTS**

We are the owner or the licensee of all intellectual property rights in the materials. These works are protected by copyright laws and treaties around the world. All such rights are reserved.

You may print off one copy, and may download extracts, of any page(s) for your personal use as a parent/carer of a pupil at your child's school.

You must not modify the paper or digital copies of any materials you have printed off or downloaded in any way, and you must not use any illustrations, photographs, video or audio sequences or any graphics separately from any accompanying text.

Our status (and that of any identified contributors) as the authors of the materials must always be acknowledged. You must not use any part of the materials for commercial purposes without obtaining a licence to do so from us or our licensors.

You are not permitted to copy, share — electronically (including social media) or otherwise — any part of our materials in breach of these terms of use. Your right to use such materials will cease immediately upon such a breach and you must, at our option, return or destroy any copies of the materials you have made.

# PROGRAMME BUILDERS FOR **PSHE EDUCATION KEY STAGES 1-2**

No.

**The national body** for Personal, Social, Health and Economic (PSHE) education

Welcome to our PSHE education Programme Builders for key stage 1 to designed to accompany the 2020 edition of the <a href="Programme of Study for PSHE">Programme of Study for PSHE education</a>.

The Programme of Study sets out learning opportunities for each key stage, in three core themes: Health and Wellbeing, Relationships, and Living in the Wider World. The Programme Builders are designed to support the next step in planning your school's curriculum. The Programme Builders provide five different model programmes (two for the primary phase, two for secondary and one for middle/prep schools), each one comprising:

- a long term plan for the year across all year groups
- separate grids for each year group, setting out learning objectives for each half-term
- **links to resources** (both PSHE Association resources and resources carrying the Association's Quality Mark\*) that support each module. We will add new quality assured resources to the Programme Builders as they are published.

We have provided this range of models, in recognition that no two schools organise PSHE education in exactly the same way and no two PSHE leads will face exactly the same opportunities or challenges in designing their schemes of work. Schools should also tailor their PSHE education curriculum to the needs of their pupils, so are tree to use and adapt the Programme Builder that best suits their school's needs.

Whilst each Programme Builder illustrates a different way of organising a PSHE curriculum, they all follow the same best practice principles. They build in developmental progression by revisions themes year on year, building on and extending prior learning.

# COVERING THE STATUTORY CONTENT

Although the Programme Builders organise content under different headings from those used in the content grids of the Department for Education's statutory guidance on <u>Relationships Education</u>, <u>RSE and Health education</u>, each Programme Builder covers all of the statutory requirements for their phase, within a comprehensive PSHE education programme. And although each takes a slightly different approach, they each cover all of the Programme of Study learning opportunities for their phase as well.

<sup>\*</sup> Not all Quality Assured resources are free to access. A "£ ymbol is used to symbolise those for which there is a charge.

# USING THE PROGRAMME BUILDERS

Each Programme Builder begins with an overview of suggested content for each year group, for each half term. This is followed by more detailed grids for each year group, setting out broad learning objectives for each half term block and a list of regularly-updated links to relevant PSHE Association lessons and other resources that have gained our Quality Mark.

Before embarking on the development of your school's PSHE education provision, consider the needs of your pupils, the aims and ethos of the school, the local community and local environment in which the school is situated. This will help you to clarify your curriculum 'intent', and to ensure best practice curriculum design, tailored to your pupils' needs and your school's circumstances.

Local data (for example, from Public Health England's child and maternal health (CHIMAT) data sets and your local authority's joint strategic needs assessment (JSNA)), together with your knowledge of your pupils' needs, will help you to tailor your chosen Programme Builder to your specific needs if necessary. You might perhaps need to spend more time on a particular topic area, or bring content forward if your pupils need it sooner.

## ABOUT THIS PROGRAMME BUILDER

## 2. THEMATIC MODEL KS1-2

This programme builder takes a thematic approach to primary PSHE education, covering all three core themes of the Programme of Study (Health and Wellbeing; Relationships; and Living in the Wider World) over the school year, with three topics per half term. This approach allows different year groups to work on similar themes at the same time, building a spiral programme year on year, whilst offering flexibility in terms of medium term planning. The colour-coded topic areas can be adapted to meet planning requirements, pupils' stage of development and needs and also to reflect the context of the school and local community.

# PRIMARY PSHE EDUCATION: LONG-TERM OVERVIEW — THEMATIC MODEL

	Autumn: Relationships			Spring	g: Living in the wide	r world	Sumr	Summer: Health and Wellbeing		
	Families and friendships	Safe relationships	Respecting ourselves and others	Belonging to a community	Media literacy and digital resilience	Money and work	Physical health and Mental wellbeing	Growing and changing	Keeping safe	
Year 1	Roles of different people; families; feeling cared for	Recognising privacy; staying safe; seeking permission	How behaviour affects others; being polite and respectful	What rules are; caring for others' needs; looking after the environment	Using the internet and digital devices; communicating online	Strengths and interests; jobs in the community	Keeping healthy; food and exercise, hygiene routines; sun safety	Recognising what makes them unique and special; feelings; managing when things go wrong	How rules and age restrictions help us; keeping safe online	
Year 2	Making friends; feeling lonely and getting help	Managing secrets; resisting pressure and getting help; recognising hurtful behaviour	Recognising things in common and differences; playing and working coop- eratively; sharing opinions	Belonging to a group; roles and responsibilities; being the same and different in the community	The internet in everyday life; online content and information	What money is; needs and wants; looking after money	Why sleep is important; medicines and keeping healthy; keeping teeth healthy; managing feelings and asking for help	Growing older; naming body parts; n oving class or year	Safety in different environments; risk and safety at home; emergencies	
Year 3	What makes a family; features of family life	Personal boundar- ies; safely respond- ing to others; the impact of hurtful behaviour	Recognising re- spectful behaviour; the importance of self-respect; courte- sy and being polite	The value of rules and laws; rights, freedoms and re sponsibilities	How the internet is used; assessing information online	Different jobs and skills; job stereotypes; setting personal goals	Health choices and habits; what affects reclings; expressing feelings	Personal strengths and achievements; managing and re- freming setbacks	Risks and hazards; safety in the local environment and unfamiliar places	
Year 4	Positive friendships, including online	Responding to hurtful behaviour; managing conndentiality; recognising risks online	Respecting differences and similarities; discussing difference sensitively	What makes a community; shared responsibilities	How data is shared and used	Making decisions about money; using and keeping money safe	Maintaining a bal- anced lifestyle oral hygiene and dental care	Physical and emotional changes in puberty; external genitalia; personal hygiene routines; support with puberty	Medicines and household products; drugs common to everyday life	
Year 5	Managing friend- ships and peer influence	Physical contact and feeling safe	Responding respect- fully to a wide range of people; recognis- ing prejudice and discrimination	Protecting the environment; compassion towards others	How information online is targeted; different media types, their role and impact	Identifying job interests and aspirations; what implences carees choices; workplace stereotypes	Healthy sleep habits; sun safety; medicines, vaccina- tions, immunisations and allergies	Personal identity; recognising individ- uality and different qualities; mental wellbeing	Keeping safe in different situations, including responding in emergencies, first aid and FGM	
Year 6	Attraction to others; romantic relation- ships; civil partner- ship and marriage	Recognising and managing pressure; consent in different situations	Expressing opinions and respecting other points of view, including discussing topical issues	Valuing diversity; challenging discrim- ination and stereo- types	Evaluating media sources; shading things online	Influences and attitudes to money; money and financial risks	What affects mental health and ways to take care of it; managing change, loss and bereave- ment; managing time online	Human reproduction and birth; increasing independence; managing transition	Keeping personal information safe; regulations and choices; drug use and the law; drug use and the media	

#### YEAR 1 — MEDIUM-TERM OVERVIEW

	T	100	
Term	Topic	In this unit of work, pupils learn	Quality Assured resources to support planning
SO	Families and friendships Roles of different people; families; feeling cared for PoS Refs: R1, R2, R3, R4, R5	<ul> <li>about people who care for them, e.g., palents, siblings, grandparents, relatives, friends, teachers</li> <li>the role these different people play in children's lives and how they care for them</li> <li>what it means to be a family and how families are different, e.g. single parents, same-sex parents, etc.</li> <li>about the importance of telling someone — and how to tel them — if they are worried about samething in their family</li> </ul>	PSHE Association - Families  Medway Public Health Directorate - Changing and growing up  FPA - Growing up with Yasmine and Tom (£)
Autumn — Relationships	Safe relationships Recognising privacy; staying safe; seeking permission  PoS Refs: R10, R13, R15, R16, R17	<ul> <li>about situations when someone's body or feelings might be hurt and whom to go to for help</li> <li>about what it means to keep something private, including parts of the body that are private</li> <li>to identify different types of touch and how they make people fee (e.g. hugs, tickling, kisses and punches)</li> <li>how to respond if being touched makes them feel uncomfortable or unsafe</li> <li>when it is important to ask for permission to touch others</li> <li>how to ask for and give/not give permission</li> </ul>	1 decision - Relationships (£)  FPA - Growing up with Yasmine and Tom  (£)  PSHE Association - Consent lesson packs
	Respecting ourselves and others  How behaviour affects others; being polite and respectful  PoS Refs: R21, R22	<ul> <li>what kind and unkind behaviour mean in and out school</li> <li>how kind and unkind behaviour can make people feel</li> <li>about what respect means</li> <li>about class rules, being polite to others, sharing and taking turns</li> </ul>	The Rez
Spring — Living in the wider world	Belonging to a community  What rules are; caring for others' needs; looking after the environment  PoS Refs: L1, L2, L3	<ul> <li>about examples of rules in different situations. (e.g. class rules, rules at home, rules outside</li> <li>that different people have different needs</li> <li>how we care for people, animals and other living things in different ways</li> <li>how they can look after the environment, e.g. recycling</li> </ul>	1 decision - Being responsible (£)  Experian - Values, Money and Me (KS1)  Environment Agency - Caring for the  Environment and Careers

<sup>&</sup>lt;sup>2</sup> Pupils are often aware that sexual intercourse does not always result in baby and they may already be aware of or have heard about some common methods of contraception (e.g. condoms, the contraceptive pill or avoiding sexual intercourse). A basic understanding of contraception can be taught at primary level. This may include basic information about common forms of contraception (for example, condoms and the contraceptive pill) and how these can prevent a baby being made. Schools will need to decide whether this is appropriate for their community and cohorts and consider how to approach this as part of Sex Education.
