Celebrating National Fitness Day

I would just like to thank the 52 Senior pupils who volunteered their time on Saturday at Open Day. They were a credit to the school, as a Tour Guide or participating in a learning experience. Many of our visitors told me before leaving how impressed they were with our pupils.

This week's assembly celebrated National Fitness Day. Mr Beresford shared his own personal story of how he got into sport and enjoyed success as a high-level swimmer. I'm sure his story will go far in inspiring our pupils to take part in sport to a level that they enjoy. Mr Beresford sharing his story is just one of the many ways our staff build positive relationships with pupils.

We had many pupil successes over the summer. Well done to Hugo, Sofia, Josh and Ben who were successful in the Gothia Cup; the world's largest and most international youth competition.

Other successes include a Diya and Lily being promoted to the first and second hockey teams respectively in their club and scoring and achieving player of the match in their first game.

Euan spent a couple of days with Medical Science researchers, including the NASA office where they were conducting experiments in the National Space Centre.

Isabella achieved her grade 5 singing performance and passed with distinction, and Rishi achieved a Grade 6 in Piano Performance from Trinity School of Music London.

Congratulations to Griffin who took gold at the European Jiu-Jitsu competition. We are very proud of all of our pupils' achievements.

Well done to the year 9 football team who opened their season with three fixtures on Thursday, and congratulations to Herbert for achieving checkmate against Mrs Griffiths in a 15-move chess game.

Ever onward and upward.

Kind regards,

Dave Cholerton

Acting Head / Designated Safeguarding Lead
